CPP TO CEASE THE PROVISION OF AIRPORT LOUNGE ACCESS SERVICES

CPPGroup Plc (CPP or the Group), the International Assistance business, announces that as part of its plans to increase the focus of the Group's operations it intends to cease providing airport lounge access services currently marketed under the Airport Angel brand. In the intervening period the Group will continue to ensure a high quality of service is provided to existing customers.

The closure of Airport Angel is not anticipated to have a material impact on the Group's expected profitability in 2015 or beyond.

Stephen Callaghan, interim Chief Executive Officer, commented: "The decision to cease providing airport lounge access services is a further step forward towards CPP becoming a more focused, sustainable and profitable business."
